

Measure Your Ring Size with a Finger Strip Chart

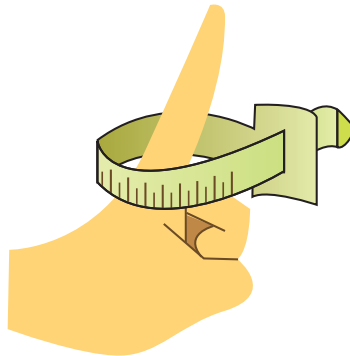

To create your own ring sizer, print and cut the strip below.
In order to print the ring sizer on this page, be sure that your
printer is set to 100%

To create your own ring sizer, print and cut the strip below.
Insert the narrow end of the sizer through the "cut here" slot.

With numbers on the outside, place the loop around your finger.

Pull until the fit is snug but comfortable.
